

■ PLANNER APP DESIGN + FEATURE SUMMARY

■ Aesthetic & Style

Overall vibe: Clean • Aesthetic • Calming • Customizable

- Cute, readable fonts (user can pick from multiple)
- Pastel and light color palettes
- Spacious layout with white backgrounds + accent colors
- Minimal line icons
- Smooth animations / simple transitions

■ User Experience (UX)

Goal: Extremely easy to use — visually simple, intuitive navigation, and soothing to look at.

- 1 Choose your vibe – pick a theme or BuJo-style layout template
- 2 Create planner – add dates, goals, and daily/weekly/monthly spreads
- 3 Add tasks & events – drag, label, or bullet them
- 4 View dashboard – see the day, week, or month at a glance
- 5 Reflect – write notes or journal entries
- 6 Customize – rearrange widgets, colors, stickers, etc.

■■ Core Features

■ Planner & Calendar

- Visual overview of time
- Monthly, weekly, and daily views
- Color-coded categories (work, school, personal, etc.)
- Custom labels or stickers
- Recurring tasks/events
- Reminders & notifications (sound or vibration optional)

■ Tasks & To-Dos

- Create to-do lists with subtasks
- Priority levels (High, Medium, Low)
- Checkboxes for completion
- Progress indicator or simple “done” animation

■ Projects & Goals

- Create projects or categories
- Each project has task cards with deadlines, notes, and tags
- Track completion visually (progress bar or percentage)

■ Notes & Journaling

- Optional journal or reflection section
- Free-form note taking (text, photos, or stickers)
- Tag notes by date or project

■■ Customization

- Pick theme or BuJo-style layout
- Change fonts, colors, icons
- Add or rearrange widgets (habit tracker, countdown, quotes)
- Save layout presets for easy switching

■ **Optional Add-ons**

- Cloud backup & device sync
- Offline mode
- Export planner as PDF
- Password lock for privacy
